The regulations regarding Cashing-in (or aggregation) for a Qualification Grade at AS and A2 LEVEL are as follows:

Once students have completed or registered for the appropriate set of units, they can apply for the qualification award (i.e., cash-in).

The student's uniform marks for the eligible units are aggregated to determine their qualification grade. Therefore, if you have completed all the necessary units, please enter the cash-in code.

However, if you intend to retake the exam, cashing-in may not be required at this time.

Please be aware that there will be a penalty fee for late cash-ins.
